This is space ships it's mon-sters it's Star Wars we love it! Come and Star Wars! We love it!

Get in there you big fur-ry oaf! I cou-ldn't care less what you smell! I take or-ders from on-ly me!

May be you'd like it back in your cell your high-ness your wor-ship-ful ness, your high-ness your wor-ship-ful ness!

Pulse constant, but... no body cares

If you upset a droid accelerando! Now listen to Luke whining one more sea-son one more sea-son etc.

I was gonna go to Tatooine Station for power con
